Name _____ Address _____ Apt# _____

Dear Resident(s):

We received your notice stating your intention to move. Please call our staff, at the above phone number, to set up a check out day/time for an inspection to assist you in receiving as much as possible of your deposit back. To simplify this process, we would like you to understand our procedures:

- 1. Your signed lease gives Craig Properties, and its agents, permission to show your apartment to prospective clients, and/or to enter your apartment and make necessary repairs.
2. You must call our office at least 15 (fifteen) days prior to your final day of occupancy to set up your meeting day/time with our staff. All keys will be returned at this meeting. If you do not schedule a check out, there is a \$100 fee.
3. You must return all keys, garage remotes, and provide a forwarding address.
4. CARPETS MUST BE PROFESSIONALLY STEAMED CLEANED during your last day of occupancy. A copy of the invoice must be given when your move out inspection is done, if you have pet(s), deodorization must be itemized on the invoice. Carpet cleaning must be completed by your checkout appointment. ** We require using Renovation Systems as they will reclean if there are any issues. 763-551-3500 and press 1.
5. Smoke alarms must be in working order, per your lease, you are responsible for replacing batteries.
6. Your apartment must be completely moved out and fully cleaned no later 12:00 noon on the final occupancy day, or by your checkout appointment, whichever comes first.
7. Review this move out checklist to insure your apartment is ready for the scheduled move-out inspection.

The move out inspection will verify the apartment, garage, fixtures and appliances have been maintained and there are no signs of misuse/neglect. We will compare your Move-in inspection sheet to your Move-out inspection to identify discrepancies. You may be charged to restore the apartment to an acceptable condition; these charges will be deducted from your security deposit. In approximately 30 (thirty) days your security deposit will be returned to the forwarding address you provide, less move in/out fee per your lease agreement. If cleaning, repairs, damages, neglect etc. exceed the total amount of your security deposit, you will receive a bill for the difference (see fee schedule on back)
